IV. Principal's Report

- Climate Survey Results-The electronic version will be mailed out and Dr. Reynolds reviewed the highlights from feedback from all groups which included faculty, parents and students. There were no questions.
- Parent Volunteer Night – May 19th at 6:30 p.m. in Media Center
- Testing Update – Advanced Placement testing is wrapping up this week and semester exams will begin on Thursday, 5/21/15. We are now considered a candidate IB program school. Dr. Reynolds also announced that our head football Coach Brewington has resigned and announced Curtis Smith has been named the interim head coach for the remainder of the 2014-2015 school year.

V. New Business

SAC By-Laws – tabled until next school year. Peter York did bring copies of the Florida Statutes regarding SACs to the meeting for members to review.

VI. Questions/Concerns

Danyell Harris asked questions on (a) how will we determine the number of Instructional SAC council positions will be made available for 2015-2016 school year and a response was given to her that it would be based on the number of parents who are selected to determine that number; (b) she also inquired about if we could use SAC funds to provide janitorial funding and the response to her was it would have to be justified in correlation to the School Improvement Plan. Norm Erickson stressed the importance of the Call for Nominations for all positions. He also discussed that he discovered there are a number of schools out of compliance within our school district with the Florida Department of Education.

The meeting adjourned at 6:13 p.m.
